

Sample Daily Schedule: Kindercamp

The following outline will help you understand the daily schedule and the names for different camp activities.

7:30 a.m. Campus Opens

Campus is open and playground supervision is provided for campers who arrive early.

8:30-11:30 a.m. Academic Program

All KinderCampers are with their morning classroom teachers for academic activities in language arts and math. Classrooms are specially designed for kindergartners and provide all the space and materials needed for maximum learning and fun. Campers will have a recess and snack break during the academic program. Snacks are not provided.

11:30 a.m.-12:10 p.m. Dismissal / Lunch

Morning-only campers are dismissed at 11:30 a.m. and must leave campus by 11:45 a.m. Partial- and full-day campers are supervised by teachers for lunch. Campers may either bring lunch from home or order a camp lunch.

12:15-3:30 p.m. Activity Program / Group Time

Campers meet with their activity groups for a variety of recreation and sports activities. Each group is led by an enthusiastic and caring adult group leader and a high school aged junior counselor. During this period, activities focus on developing a sense of group identity, cooperation and team building. Campers rotate through a special activities including archery and dance, and have many other sports, games and theme activities programmed especially for them by their leaders. KinderCampers will stay in their gated play area, or travel into the “big camp” with their group leaders. Group time is a fun way for KinderCampers to try new games and activities, with the support of their trusted group leaders and friends.

Swimming lessons are included in group time. KinderCampers are skill tested and placed in groups based on ability. With a focus on water safety, our caring, qualified staff works with campers to develop aquatic confidence and swimming skills.

3:30-3:45 p.m. Dismissal / Afternoon Break

Partial-day campers are dismissed and must be picked up by 3:45. Full-day campers have time for supervised free play.

3:45-5 p.m. Special Interest Activities

Special interest activities are organized to allow kindercampers free choice in a rich learning environment. Stations in music, art, science, storytelling, games, etc. will be set up and available for children to choose. Curiosity and creativity will be stressed and play encouraged.

5-6 p.m. Afternoon Program Ends

The campus is supervised for full-day campers who remain after programs have ended.

Campers gather their belongings and wait in the loading zone or the playground for their parents to pick them up. Campers who remain after 6 p.m. are charged for supervision and will remain with staff until they are picked up.
