INSURANCE INFORMATION

Insurance coverage for accidents that may occur at the Summer Institute is provided for all students.

CONSENT TO TREATMENT

I permit Harker to authorize emergency medical treatment for my child if I cannot be reached.

ENROLLMENT AGREEMENT

We understand that for infraction of the Summer Institute rules concerning stealing, smoking, drinking alcoholic beverages, or a continual or flagrant violation of other rules, the results may be a student's suspension or dismissal from summer school. We also understand that the possession or use of drugs will be cause for a student's dismissal from summer school. During summer school, your child's picture may be taken for use in a variety of publications. Examples of use are videos, brochures, newspaper advertisements, websites, newsletters, etc. Harker is cognizant of privacy issues and will not publish a student's name or other personal information without specific consent. By signing the application below you authorize and give full consent to Harker, without limitations or reservations, to publish any photos in which your child appears while enrolled in any program at Harker.

You agree that the use of photographs does not constitute a waiver of Harker policies, nor does continued use constitute an agreement to continue the child's enrollment. If you do not wish to consent to a photographic release, you must attach a written statement requesting an exemption from this release. I understand that my obligation to pay camp program fees by May 7, 2021 is unconditional. I understand that enrollment may be cancelled in writing without penalty (except forfeit of the enrollment deposit) prior to May 7, 2021. If enrollment is cancelled after May 7, 2021 parents or guardians financially responsible for the student are obligated to pay the full summer program charges. It is understood that all obligations under this contract are to be performed and that all monies to be paid are due and payable to The Harker School in San Jose, California and that such monies due from me which are unpaid when due shall bear a late charge of 1.5% per month at the rate of 18% per annum; that if it be necessary to file suit to collect any unpaid balance, and in case suit be brought to enforce the provisions of this agreement, I agree to pay a reasonable attorney's fee to be set by the court.

I have read and understood all of the above terms and conditions and, having enrolled my child in the Harker Summer Institute, agree to be bound by them.

WAIVER AND ASSUMPTION OF RISK AGREEMENT

Summer Institute is a wonderful experience for students and teaches them a great deal about themselves and the world around them. Part of the magic of camp is that many activities take place out of doors where students are invited to explore new activities and challenges. Obviously, some risk comes with these activities and challenges. Our purpose in this disclosure is not to worry you, but rather to point out that there are risks connected with the fun, excitement and adventure of a camp experience and to alert you to your responsibilities for those risks.

Assumption of Risk. As a parent or guardian of your child, you are aware of the inherent risks of injury, death and property damage associated with camp activities. These activities involve running, climbing, swimming, diving, archery, ropes courses, biking, hiking, backpacking, a wide range of individual and team sports, and so forth. You are also aware that harm from these activities can result from non-negligent or even negligent acts or omissions by The Harker School Summer Programs or its personnel, from the non-negligent or even negligent acts or omissions of other campers, or from the acts or omissions of third parties over whom The Harker School Summer Programs has no control. As part of this agreement, you acknowledge that all such risks exist and that you have allowed your child to attend camp knowing of these risks and all of their possible consequences. You acknowledge further that injury, death or damage may occur even when camp employees and others have exercised due and reasonable care in relation to your child.

Waiver and Release of Liability. As a parent or guardian of your child, by signing this document you agree to waive any claim you may have against The Harker School Summer Programs, The Harker School, and all of their

personnel with respect to injury, death and property damage resulting from the risks described above. You agree further to waive and to not assert any claim for injury, death, or property or any other damage against The Harker School, The Harker Summer Programs, or any of their personnel.

Knowing, Informed and Voluntary Agreement. By signing this document, you acknowledge that you have read it in its entirety, that you understand its contents, meaning and effect, and that you have agreed to its terms completely and voluntarily. You also acknowledge by your signature that you accept the allocation of risks and responsibility as between The Harker School Summer Programs and yourself set forth in this agreement. The Harker School Summer Programs is relying on your consent to the terms of this agreement in its operation generally and in allowing your child, in particular, to attend camp.

Responsibility for Your Child's Actions. It is essential that you inform The Harker School Summer Programs directly (and not through your child) in the event there is any camp activity in which you do not want your child to participate. Further, you understand and agree that in the event your child causes any harm or damage to another camper, camp personnel or property, you will be fully responsible for such harm or damage, including being responsible for indemnifying The Harker School Summer Programs and its personnel should they be forced to defend themselves in connection with any resulting lawsuit or claim.

Resolution of Disputes. You understand and agree that in the event any dispute arises between you, either personally or on behalf of your child, and The Harker School Summer Programs, The Harker School, or their personnel, that dispute will be decided according to the laws of the State of California and by the appropriate court located in Santa Clara County, Calif.

I have read and understood all of the above terms and conditions and, having enrolled my child in The Harker Summer Programs, agree to be bound by them.
