Summer camp is a wonderful experience for boys and girls and teaches them a great deal about themselves and the world around them. Part of the magic of camp is that many activities take place out of doors where campers are invited to explore new activities and challenges. Obviously, some risk comes with these activities and challenges. Our purpose in this disclosure is not to worry you, but rather to point out that there are risks connected with the fun, excitement, and adventure of a camp experience and to alert you to your responsibilities for those risks.

Assumption of Risk. As a parent or guardian of your child, you are aware of the inherent risks of injury, death, and property damage associated with camp activities. These activities involve running, climbing, swimming, diving, archery, ropes courses, biking, hiking, backpacking, a wide range of individual and team sports, and so forth. You are also aware that harm from these activities can result from non-negligent or even negligent acts or omissions by The Harker Summer Programs or its personnel, from the non-negligent or even negligent acts or omissions of other campers, or from the acts or omissions of third parties over whom The Harker Summer Programs has no control. As part of this agreement, you acknowledge that all such risks exist and that you have allowed your child to attend camp knowing of these risks and all of their possible consequences. You acknowledge further that injury, death, or damage may occur even when camp employees and others have exercised due and reasonable care in relation to your child.

Waiver and Release of Liability. As a parent or guardian of your child, by signing this document you agree to waive any claim you may have against The Harker Summer Programs, The Harker School, and all of their personnel with respect to injury, death, and property damage resulting from the risks described above. You agree further to waive and to not assert any claim for injury, death, or property or any other damage against The Harker School, The Harker Summer Programs, or any of their personnel.

Knowing, Informed, and Voluntary Agreement. By signing this document, you acknowledge that you have read it in its entirety, that you understand its contents, meaning, and effect, and that you have agreed to its terms completely and voluntarily. You also acknowledge by your signature that you accept the allocation of risks and responsibility as between The Harker Summer Camp and yourself set forth in this agreement. The Harker Summer Camp is relying on your consent to the terms of this agreement in its operation generally and in allowing your child, in particular, to attend camp.

Responsibility for Your Child’s Actions. It is essential that you inform The Harker Summer Programs directly (and not through your child) in the event there is any camp activity in which you do not want your child to participate. Further, you understand and agree that in the event your child causes any harm or damage to another camper, camp personnel, or property, you will be fully responsible for such harm or damage, including being responsible for indemnifying The Harker Summer Programs and its personnel should they be forced to defend themselves in connection with any resulting lawsuit or claim.

Resolution of Disputes. You understand and agree that in the event any dispute arises between you, either personally or on behalf of your child, and The Harker Summer Programs, The Harker School, or their personnel, that dispute will be decided according to the laws of the State of California and by the appropriate court located in Santa Clara County, California.

I have read and understood all of the above terms and conditions and, having enrolled my child in the Harker Summer Programs, agree to be bound by them.
